

Savitar

- Single Vineyard Shiraz. Comes from the Chinese Block – North East pocket of the vineyard. One tiny section of this block: rocky patch of soil in the north eastern corner. Old river bed. Lowest vigour part of the vineyard.
- Our most premium single vineyard shiraz.
- Distinct mineral/graphite/carbon characteristic. Brooding palate of GAM, aromatics of Angela.
- For every 4-5 bottles of GAM, we can only make 1 bottle of Savitar.
- Called Savitar – Ben Glaetzer called Frank in 2001 and said “look at this beast”. Grapes were powerful, exceptional etc.
- Low yields – 1.5-2 tonne to the acre.
- Tight structure, a wine that benefits from ageing. Can cellar for 20+ years.
